DEPOT INTERNATIONAL INCREASES PRINTER PARTS WARRANTY TO 1-YEAR
SETS NEW INDUSTRY STANDARD FOR PRODUCT QUALITY GUARANTEE

FARMINGDALE, NJ (June 18, 2013) – Depot International, the global leader in the distribution and manufacturing of printer parts, is excited to announce that the warranty for Depot International branded remanufactured printer parts has been increased to a full 1-year warranty.

Depot International now leads the industry with the longest warranty period on remanufactured printer parts. This new warranty goes into effect immediately and applies to all Depot International branded remanufactured printer parts purchased after May 1st, 2013.

“Depot International continues to set the standard in the marketplace for quality, selection, and service. This is just another step in strengthening our commitment to our valued customers,” said Chris Sinibaldi, Vice President, Sales Operations at Depot International.
